

NIGHT CRUISE SUNSET CRUISE

Departing from
**Santa Margherita Ligure, Portofino,
Rapallo or Camogli.**

We'll be sailing along the west coast and you will have time to take advantage of the last hours of sunshine at one of the most exclusive bays, have a regenerating bath and enjoy a glass of wine for aperitif.

The guest house has no roof and you will enjoy dining under the twinkling stars.

The table is set by the window overlooking the sunset on the Mediterranean sea.

After seeing a magical sunset dip, you'll enjoy a romantic dinner in **Punta Chiappa at Stella Maris** resort, once Napoleon's resided, and you will be prepared a very exclusive and special dinner in the romantic ruins of a medieval guest house, the same where Lord Byron once rang the bronze bell.
