

WEST COAST CRUISE

FULL DAY

The boat tour starts from **Santa Margherita Ligure, Chiavari or Portofino**

After a special welcome on board with typical **Focaccia** and a glass of wine, we'll enjoy a day full of beautiful moments to discover the **Golfo Paradiso, Golfo del Tigullio**, and if you desire, even the **Gulf of the Poets** may be included.

We'll leave for a cruise along the west coast.

We'll touch wonderful locations such as **Paraggi Bay, Punta Pedale** and **Portofino** with his lighthouse.

We will then sail to **San Fruttuoso Bay**, set in a small cove of **Portofino promontory**, surrounding by the blue and green colour of the **Portofino Regional Natural Park**.

It will be possible to visit the **Abbazia**, placed in the beach, or you can dive and discover the **Cristo degli Abissi**.

For lunch is possible to stop here or choose the suggestive location of **Punta Chiappa** with an amazing sea view, our crew will be available to suggest you the best solution.

After lunch, we will sail to **Golfo Paradiso** and the suggestive village of **Camogli**, you'll be enchanted by his colours and by the old "Tonnara" where you can see tuna fishing.

We will continue towards **Bogliasco**, another typical location of the **Ligurian Coast**, if you want we'll stop for an aperitif and then we'll come back.
